About Me:-

I am Dr. M. Srinivas Rao, I would like to put forth few lines about me. During my first year of Medicine my father expired. As we were from the lower middle class family I thought of giving up my education and search for a job. But my parent's dream was to provide free treatment to the poor people as a doctor. Father was a Govt. servant so after his death my mother was appointed as a sweeper because she was illiterate. My mother has to struggle a lot to complete my medicine. Because of my mother's efforts and her blessings I was able to complete Medicine and become a Doctor.

Since 18 years I have been providing free treatment to thousands of poor people spending around 40 lakhs of rupees till now and continuing my services even today. Presently I am able to see happiness in my mother as her dream of providing free treatment to the poor people has come true.

I feel proud to be in this Noble profession which was possible only through my mother's efforts. So as a mark of gratitude I have felicitated my mother on mother's day, i.e. 13th May in the year 2011 by Renowned Film Actor "PADMAVIBHUSHAN" Dr. AKKINENI NAGESHWAR RAO garu as extension of my services to the society I have established "MALLE SUBBAIAH CHARITABLE TRUST" and started Dr. M.S.R. Old Age Home in the year 2012 under the Trust.
